Gazebos

Price List | 2023

Give your garden the
Wow Factor
with a beautiful gazebo

...canopy, shelter or carport, whatever you would like to call these types of garden buildings, they look fabulous while serving a purpose. Whether that is to enjoy the garden while you are under cover or to cover a hot tub, a much loved pond, car, or other prized possession.

With a range of roof styles, the chance to add full walls, half walls, railings & an optional decking floor, your gazebo can be customised to perfection.

We can make to measure the Pent & Apex styles. The Hipped & Corner Hipped are still hand crafted by us, but limited to the sizes you will find in this brochure.

Felt Shingles

Felt roofing shingles are lightweight, glass fibre based, bitumen roofing shingles which have a life expectancy of 15+ years.

Not only are they a long lasting weatherproof protection, they give a highly decorative finish to be proud of.
